

CASE STUDY FIRST KANE COUNTY KEEP DEAL (SOLAR)

INTRA SPORTS COMPLEX INDOOR-OUTDOOR SPORTS FACILITY, ELGIN, IL

Sports Facility

Roof repairs and installation of Solar PV System

Approximately 48,000 square foot of industrial-type building on almost 14 acres

KEEP Financing – \$351,136

Term – 20 years

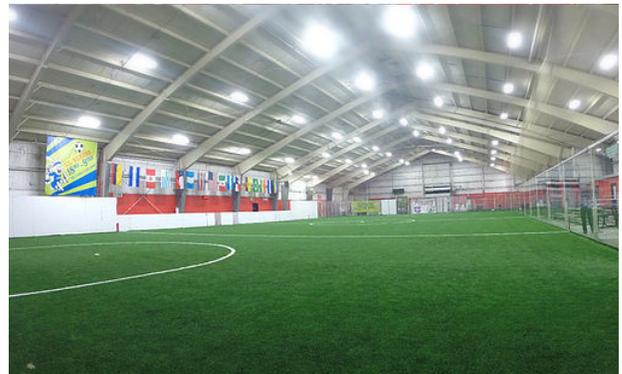

Capital Provider – Inland Green Capital LLC

Contractor – Bright Life Renewal Energy, LLC

Anticipated annual utility savings, aside from other grants, incentive and rebates: \$9,330; conserving 115,000 KWH, saving 64.9 metric tons of CO_{2e} from the environment.

Opportunity:

Intra Sports Complex, owned by International Sports, is an indoor/outdoor practice and tournament facility, hosting events and parties, and includes concessions and on-site retail. The owner was seeking ways to improve the facility's efficiency and design with cost-saving, energy-efficient upgrades.
